University Hospitals Division

How to get to the hospital

By Bus

The Western General Hospital is between Crewe Road South and Telford Road in the Craigleith area of Edinburgh. Many buses go into, or near to, the hospital site but as services change over time, contact Traveline Scotland on 0871 200 2233 or www.travelinescotland.com for up-to-date details.

By Car

There are designated parking spaces for patients and visitors. Disabled parking and the car park specially for cancer patients are marked on the map. However, overall there is not much parking at the hospital and it may be difficult to find a space. We would ask those who live in the Edinburgh area to travel, if possible, by bus or arrange to be dropped off by car. Park and Ride schemes are also available from Ferrytoll (Fife), Ingliston, Sherriffhall or Straiton. For details of buses from Park and Ride call Traveline Scotland on 0871 200 2233.

By Rail

Edinburgh Waverley is about 20 minutes away from the hospital by car or taxi, and about 30 minutes by bus. For train details please contact National Rail enquiries on 0845 748 4950 or www.nationalrail.co.uk

By Air

Edinburgh Airport is about 45 minutes by car or taxi. There are regular scheduled flights to all parts of the United Kingdom and Europe. For details on air travel call Edinburgh Airport on 0131 333 1000 or www.edinburghairport.com
